

## **Dining requirements for guests**

**We are delighted to welcome you back to The Gate!**

You will need to read and agree to the following government requirements before entering.

We aim to make your visit as enjoyable as possible. We ask that you assist our staff members by following some simple measures that are in place to keep you and our staff safe and well during this extraordinary and unusual time.

**All guests must use hand sanitiser provided on entry, please also use hand sanitiser on leaving.**

**Please maintain social distancing throughout your visit.**

**One lead member of your group must provide contact details to the host.**

**You will be allocated a table according to availability, there is a maximum of six people per group.**

**Once you've been allocated your table, please remain seated at all times unless you require the use of toilet facilities.**

**Children must be accompanied by an adult when using the toilet.**

**It is the adult's responsibility to ensure that children remain seated throughout their visit.**

**There is table service only and no bar service is available.**

**Please note** - we have a very strict hygiene policy in place to ensure your safety and wellbeing during your visit.
